

Attention Royal Trails!

Does your child need professional one-on-one help in school?

My name is Kathleen Cassanello and I am a licensed professional educator, in the state of Florida, with a number of years teaching experience. I also have a Masters degree in Science education and have taught classes utilizing International Baccalaureate (IB) and Advancement Via Individual Determination (AVID) learning strategies. My specialties include:

- Math education
- Science education
- Higher order/critical thinking skills
- FCAT Preparation

Please contact me for rates and availability at 352 357 4849. References, resume, and other qualification documentations are available upon request.

I look forward to helping your child succeed!
